

25th Annual Convention and National Conference

on

**Application of Clay and Allied Sciences
for Enhancing Nutrient Use Efficiency,
Carbon Sequestration & Mitigating
Climate Change**

December 18-19, 2025

Venue

**ICAR-Indian Agricultural Research Institute (IARI),
New Delhi**

Organized by

The Clay Minerals Society of India

in collaboration with

**The Division of Soil Science and Agricultural Chemistry
ICAR-IARI, Pusa, New Delhi – 110012**

The Clay Minerals Society of India (CMSI) was founded in New Delhi in 1981 with the aim of promoting multi-disciplinary research involving all branches of Clay Science, viz., Soils and Agriculture, Geosciences and Mining, Ceramics and Refractories, Drugs and Pharmaceuticals/ Petrochemicals and Pollution Control to even Clay Modelling and Origin of Life. The CMSI regularly publishes a journal called “Clay Research”. Till date, CMSI has organised twenty-four National Conferences.

The CMSI is organising its Twenty fifth Annual Convention and National Conference on “Application of Clay and Allied Sciences for Enhancing Nutrient Use Efficiency, Carbon Sequestration and Mitigating Climate Change” at ICAR-IARI, New Delhi during December 18-19, 2025.

There will be four technical sessions, one special session, and Professor S.K. Mukherjee- CMSI Foundation Lecture. Besides, presentations by the CMSI Young Scientist Awardee and “Travel Grant Award” recipients will be organized in the conference.

Directive principles of the Convention:

- I. Any topic on clay and allied sciences in relation to agriculture, environment and industry is acceptable.
- ii. Organising Committee reserves the right to decide the nature of presentation : Oral or Poster
- iii. Late registration by the participants will automatically be shifted to Poster presentation.
- iv. In case of late registration by the participants, organizing committee will not take any responsibility of arranging accommodation.
